Hey team, hope all is well!

I just met Carmen Rad, the owner of CR&A Custom in Downtown. They're a really cool large format printer in this labyrinth of old building in South Park, and they do work for like everything from the Kings to Randy's Donuts. Carmen is really active with the Los Angeles Latino Chamber of Commerce and a former president of the National Association of Women Business Owners, and she just struck me as someone Assembly Member Santiago should know - let me know if you want me to make an intro!

Happy New Year!
